Novaurora, best known for its organic skin-care products, now offers a massage balm set that helps soothe sore muscles.

Included in the set are a 2-ounce bottle of the signature Weekend Warrior Balm and a mini massage roller, packaged in a yellow and purple plastic Chinese takeout container. A colored grosgrain ribbon ties the box into a cute little ready-to-give package (\$9.67 wholesale, 4" x 4" x 3.5").

Weekend Warrior Balm's exclusive formula contains MSM (methylsulfonylmethane, a sulfur compound) and other naturally occurring compounds added to aloe vera gel to create a non-greasy balm. Weekend Warrior Balm takes care of bothersome aches and can be used on feet, neck, shoulders, back, or basically anyplace that is stiff or sore. (Perfect for tired shopkeepers after a busy holiday season.)

Because Novaurora believes in what it sells, Weekend Warrior Balm comes with a 100-percent money-back guarantee. Can't beat that!
